Basic Data Protection Information:

:: Responsible for Data Processing: ANCCE (National Purebred Spanish Horse Breeders' Association).

:: Reason for Data Processing: To manage our relationship with SICAB participants. Publish the official SICAB catalog, the ANCCE web site, Social Network and other communication means, photographs and/or videos of the participants together with their identifying data. Likewise, photos and/or videos of those who earn awards accompanied with family members and under age children. The event will be broadcast live at www.sicab.tv. Present information services about innovation in the sector using newsletters send by email or surface mail.

:: Legitimacy of the data processing: Contractual relationship and consent from the interested party.

:: Beneficiary: Data and photos/videos may be used in the official SICAB catalog, published on Social Networks, the ANCCE web site and for publicity in mass media. SICAB will be broadcast live at www.sicab.tv.

:: Your data may be granted to Public Administrations as required by law. No data will be transferred internationally.

:: Rights: You have the right to access, change and remove data, as well as other rights, as explained in the section "additional information."

:: Additional information: You may consult additional information and details regarding ANCCE Data Protection at www.ancce.es/rgpd

I wish to receive the latest ANCCE information as a newsletter, sent to me by email and/or surface mail.
