Basic Data Protection Information

Responsible for Data Processing: ROYAL NATIONAL PUREBRED SPANISH HORSE BREEDERS' ASSOCIATION-ANCCCE
 Objective of Data Processing:

- Manage our relationship with SICAB participants.
- Publish the official SICAB catalog, the ANCCCE web site, Social Networks and other means of communication, photographs and/or videos of the participants together with their identifying data. Likewise, this includes photos and/or videos of those earning awards accompanied by family members and under age children.
- The event will be broadcast live at www.sicab.tv.
- Present information services about developments in the sector by means of newsletters sent by email or surface mail.

Legitimacy of the data processing: Contractual relationship, legitimate interest and consent from the interested party.

Beneficiary: Data and photos/videos may be handed over for the official SICAB catalog, published on Social Networks, the ANCCCE web site and broadcast live www.sicab.tv website.

Rights: You have the right to access, change and remove data, as well as other rights, as explained in the additional information section.

In such case that you do not wish to receive information about the developments in the sector and/or to have your image and identifying information published in the media, please inform ANCCCE using any of the means provided for this.

Nevertheless, this will have no effect on legitimacy of data processing prior to your request.

Additional information: You may consult additional information and details regarding ANCCCE Data Protection at www.anccce.es and www.igance.com, by contacting our office at Cortijo de Cuarto (viejo), 41014, Sevilla, Spain or by email to anccce@anccce.com.
